Rod Barrett of Little Baddow has sent out the following report:

Dear Members,

I have just heard from one of our group as follows. On Sunday a white van a vauxhall vivario reg FH55 XGV was seen several times on the Ridge slowing down to look into vehicles parked by the road and looking into people's driveways. The van also entered a building site on The Ridge.

At 6pm and 7.45pm tonight the vehicle was seen again outside the building site looking suspicious.

This has been reported to the police. If anyone sees the same vehicle behaving suspicious please contact the police and report it quoting number 957 of 20/3/2018.

Kind Regards

Rod Barrett
