

# St Clere's Solar Farm

## View the proposals for a new solar farm

### We want to hear from you

Low Carbon is introducing proposals for a new solar farm, situated west of the town of Danbury, to be known as St Clere's Solar Farm. The solar farm will be sited within the Parish of Danbury.

We are very interested to hear the views of the community, however, due to the current health risks associated with COVID-19, public drop-in events are not appropriate. Therefore we are asking you to give us your views via our interactive digital engagement platform and to learn more about the proposal or through our Freepost address. The platform is available from **Thursday 29<sup>th</sup> October 2020 for 3 weeks.**
