

General Data Protection Policy

Danbury Parish Council takes a principled approach to data privacy and protection and welcomes the new GDPR legislation due to come into effect on the 25th May 2018.

The Parish Council is committed to ensure that it implements the appropriate organisational and technical measures needed to ensure GDPR compliance by May and to put in place governance procedures and controls for continued improvements from thereon in.

Our GDPR program is underlined by our commitment to:

- Treat all personal data that comes into our organisation with Integrity and Respect
- Only collect personal data where there is a Legal Basis to do so
- Continually evaluate our security measures and controls for maximum protection
- Provide a prompt response for Subject Access Right requests

If you need to contact the Parish Council regarding this matter please email: parish.council@danbury-essex.gov.uk
