

**Danbury Parish Council Notes from the Facilities Working Group Discussion Meeting
Held Remotely on Wednesday 15th September 2021 at 7.30pm**

Present: Cllrs J Armstrong, S Berlyn (ex officio), Mrs A Chapman (ex officio),
G Chapman, Mrs M Hessing and A Keeler.

Apologies: Cllr J Thombs and N Orange

In Attendance: Mrs M Dyer (Assistant Clerk), Ms M Harper (Clerk)

1. Playground/Dawson Memorial Field

There was lengthy discussion regarding the options to address 'wear' under seats in the playground plus other areas, and under the two gates in the playground and the gate into Dawson Memorial Field from the Main Road.

Taking into account the opinions expressed by those present, and the opinion submitted by one of the Cllrs unable to attend the discussion meeting, that the preference was for grass matting, the Clerk will, under delegated power, obtain additional quotes for further discussion.

2. Waste Collection from Site

There was lengthy discussion regarding the need for increased waste collection from site for the remainder of the current financial year and the next financial year.

Taking into account the opinions expressed by those present, and the opinion submitted by one of the Cllrs unable to attend the discussion meeting, that an additional bin for green waste would be advisable for the remainder of this financial year, the Clerk will, under delegated power, will take the most appropriate action.

Also discussed was the proposed plan to attach notices to all waste bins on Dawson Memorial Field advising that all refuse deposited in these bins is recycled/made into fuel – nothing goes to landfill and to publicise this fact on the Parish website and via other appropriate media.

3. Date of next meetings

Tuesday 2nd November 2021 (Budget) and Wednesday 10th November 2021 both at 7.30pm. Those present briefly discussed, subject to the return to 'live' meetings, reversing the above so that a 'general' meeting precedes the budget meeting.

The discussion meeting ended at 8.30pm
